

Class of 2009

Ms Ranyl Kaedby

I would like to be part of the ICAA CLASS REP for my graduating class.

I would like to also be part of the Events Organization club if you have one and help you with your events since I am an experienced event planner as well.

Class of 2011

Mr. Tarek Hilal

I graduated in 2014 from the Lebanese American University, and I am currently managing my family business. I work in Leather Goods Manufacturing, and at present founded a brand called 1920

Class of 2011

Mr. Karim Tannir

Karim serves as an associate in EY Beirut office.

Karim previously interned at UBS (Paris), ADCB (Abu Dhabi) and the Central Bank of Lebanon

Karim graduated with a Masters in Economics & Strategy from Imperial College London in 2016.

Karim graduated with a Bachelor in Business from the American University of Beirut (AUB) in 2015, with specialization in Finance

Karim graduated from IC in 2011

Class of 1992

Mrs. Nahil Mirza

I graduated as a graphic designer from LAU in 1996. I started working as a freelancer on different projects then I stopped working when I got married. I have two magnificent daughters Sabine and Marla who are IC Students. I am actually a member of the parents committee responsible for the cafeteria subcommittee in charge of improving the menu and the food quality. In addition to my current responsibility, I would be delighted to act as a class representative and be involved in different activities in line with membership, events, awards and ALMA matter.

Class of 1981

Dr. Abdul Salam Hasbini

I would like to offer my help in heading the Network Committee because most recently in January of 2018 I was appointed on the Advisory Board of the UNGC – Network Lebanon. I believe that we can do a lot together to save guard our Lebanon to make our quote work for us.

On a second note, I will also be glad to help on getting the graduates of 1981 to work towards our Goals. Last but not least, I would suggest having one from the English section and one from the French section for each year.

Class of 1993

Dr. Hicham Jaroudi

For over 17 years, held leading roles in regional and International settings in restructuring/re-engineering of Small and Medium-Sized Enterprises (SMEs), and Multinational Enterprises (MNEs). My specific experience is in security management/consulting sector, project/program management, and real estate management.

I hold a Masters degree in Engineering Management and a Bachelors of Science degree in Civil Engineering from Drexel University, Philadelphia, USA. I also hold a Doctorate of Business Administration (D.B.A) with a specialty in Leadership and strategies for SMEs from Walden University, USA.

I have held key positions within regional and international organizations (Lebanon, Jordan, KSA, Sudan, Canada, and USA). I also held numerous middle management and upper management roles. I have a strong functional expertise in security startup, operations, training, and procurement. I have a vast corporate strategy, project management, business development, and corporate experience in multiple sectors. I am currently serving as the Managing Director in a security company based in Lebanon. Simultaneously, I was assigned security consultancy roles in multiple projects in the MENA region in strategic management and security sectors with international consultant firms.
